2016 - 2019

High School "Nikola Tesla", Boljevac Serbia

CERTIFICATES

Practical Techniques of Web Programming

2023

Enon Solutions Internship

PROJECTS

- **School Management System**

A comprehensive school management system featuring a user-friendly desktop Winforms application in C#, an accessible ASP.NET Core REST API, and an ASP.NET MVC web application, all supported by a T-SQL database on SQL Server.

- **[Knowledge Showdown](#)**

User-friendly web based quiz-solving application developed using Vue.js, Mars Platform backend (JavaScript), and MariaDB, developed during an internship at Enon Solutions.

- **[Personal Portfolio Website](#)**

Mobile-friendly personal portfolio website developed using Vue.js, featuring pages for About, Contact, Home, Skills, and CV download, offering the choice between minimalistic and modern CV designs.
